Mercedes-Benz

Sedan

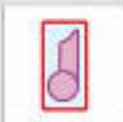

A-Class E-Cell  
(model 169)

1 12 V battery

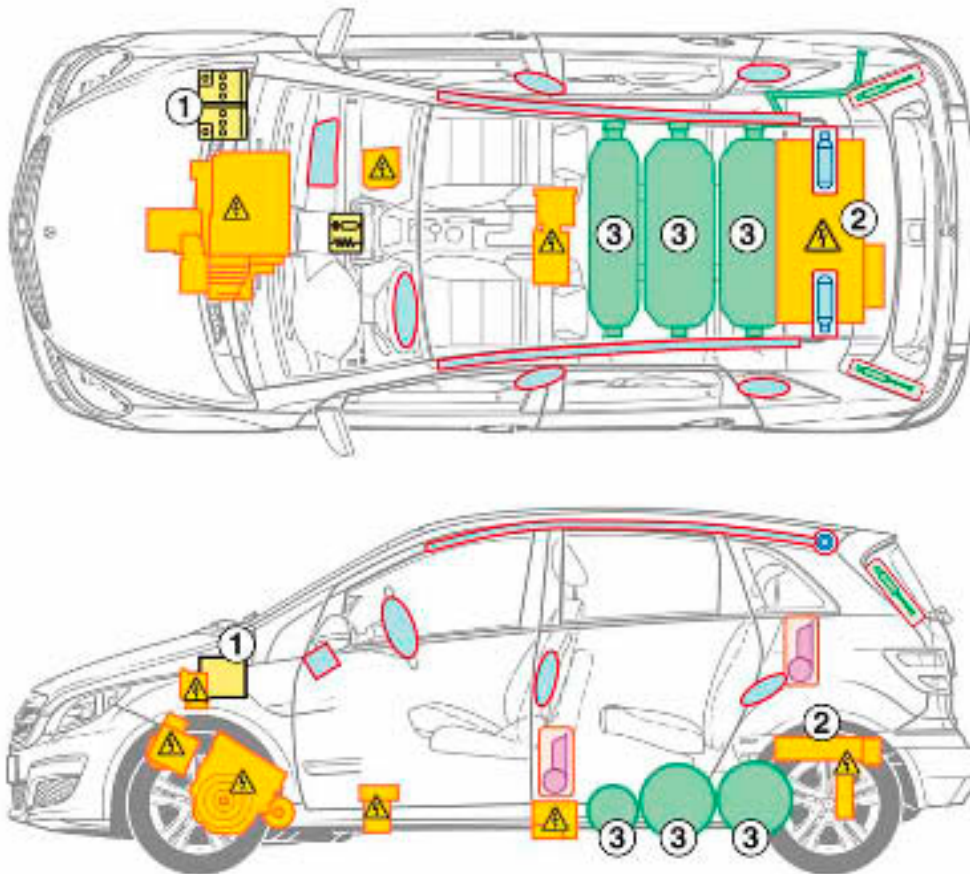

2 High-voltage battery

Legend

	Airbag		Body reinforcement		Control unit
	Gas generator		High-voltage components		Battery
	Emergency tensioning retractor		Gas-filled strut		Fuel tank

**B-Class F-Cell  
with fuel cell  
drive**

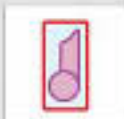

(model 245)

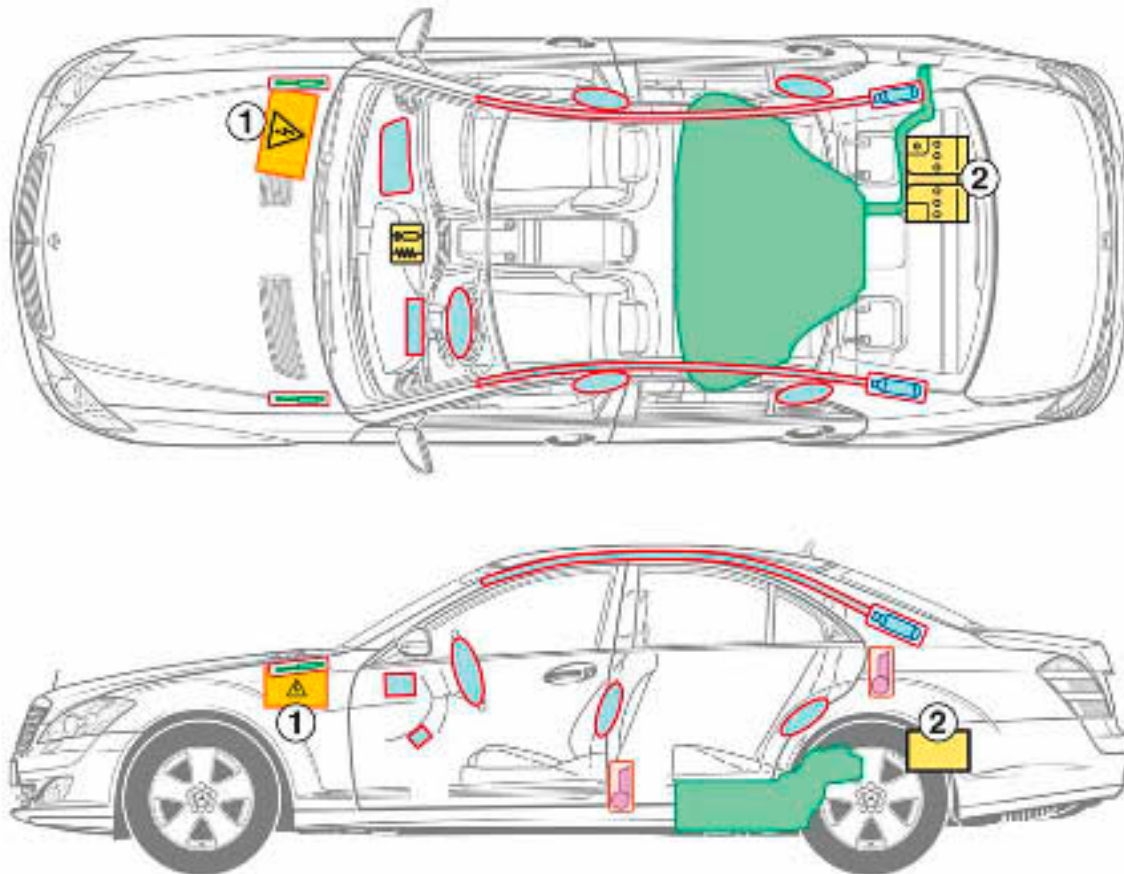

1 12 V battery  
2 High-voltage battery

3 Hydrogen tank

**Legend**

	Airbag		Body reinforcement		Control unit
	Gas generator		High-voltage components		Battery
	Emergency tensioning retractor		Gas-filled strut		Fuel tank

**S-Class HYBRID**  
(model 221)

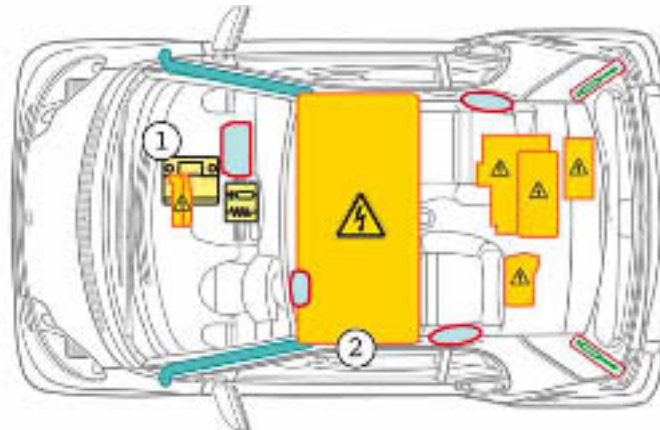

- 1 High-voltage battery
- 2 12 V battery

**Legend**

	Airbag		Body reinforcement		Control unit
	Gas generator		High-voltage components		Battery
	Emergency tensioning retractor		Gas-filled strut		Fuel tank

smart fortwo

smart fortwo  
coupé  
electric drive  
(model 451)

- 1 12 V battery
- 2 High-voltage battery

Legend

Airbag

Body reinforcement

Control unit

Gas generator

Roll-over protection

Battery

Emergency tensioning retractor

Gas-filled strut

High-voltage components
